Jeanne- I am so sorry to bother you again. Would you be so kind as to send me the link to EPA's one drive account. It appears that several TAC members have transferred there red-line on the DO report to the EPA drop box. Unfortunately I deleted the link to EPA share site. Kim

Hi Jane,

I just sent you a link to both the DES and gmail accounts. Can you please let me know if you have access?

Regards,
Jeanne

Jeanne- are you able to connect Jane to EPA's one drive account so that she can access the DO report? Kim

I'm not quite sure that I can add a folder to that OneDrive EPA account. Let's try my Gmail: jesawyers@gmail.com

Hi Kim-

We do not have access to Dropbox. I've successfully set up a OneDrive account with EPA to share large files. Is that a possible way to share it with us? Otherwise I have a Gmail account we could try.

Jane

Hello-Thank you for participating in the Technical Advisory Committee to conduct a review of the saltwater Dissolved oxygen criteria in Mount Hope Bay and The Taunton River Massachusetts.

I have uploaded the Draft report and species list to a dropbox folder and recently sent a link to the report for download. If you are not able to access the report please feel free to contact me.

We are requesting your review and comment on the draft report by September 25th, 2017. Please forward comments to me (Kimberly.groff@state.ma.us).

Again thank you for your assistance.

Regards, Kim
